

Badger Signs

(C) James Homer

Track

- 5 toes
- Central, kidney-shaped pad
- Long claws
- Fore foot 6 x 5.5cm
- Hind foot 6 x 5cm

- Blue/black colour
- Foul, strong, musky smell
- Contains seeds and large lumps, often beetle body parts
- Usually in a small pit, 10-15cm deep, called a 'latrine'

Poo

(C) Dave Williams

10x2cm

(C) Susanna Ramsey

Home

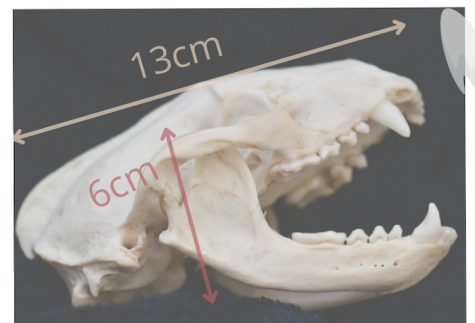

- Multiple entrance holes
- Holes are 20-30cm wide
- Often in sandy soil
- Large heaps of soil, with bedding of dry grass, dragged outside

(C) Padraig Kavanagh

Hairs & Skull

- Long, wiry, crinkly, white hairs with a wide black band and white tip
- Ridge along the top of the skull
- Continuous row of teeth

(C) Susanna Ramsey
